

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 3415 - SB 3286**

February 8, 2012

**SUMMARY OF BILL:** Requires the most current inspection report to be posted in a conspicuous manner in a retail food store. Requires, within 10 days of re-inspection, that a final inspection report without a notation of a violation be furnished to the operator of a retail food store if the violation has been corrected.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

**Assumptions:**

- The Department of Agriculture (TDOA) does not routinely re-inspect retail food stores after an inspection report is issued
- TDOA assumes this bill does not require a follow-up inspection when violations are corrected within 10 days.
- Based upon information provided by TDOA, implementing this bill will not create additional inspection responsibilities. Therefore, the impact to state government is not significant.
